## Sacred Heart Roof Update!

In May, Sacred Heart Parish was made aware that in addition to the original amount of \$32,000 to reroof the church, there would be the cost of \$28,500 to install the proper underlayment. Since the announcement, I am happy to report that the generous contribution of our parishioners has totaled \$20,525. So we are well on our way to reach our goal. To help us reach that goal you can make a contribution in your improvement fund envelope or simply write "For the Roof" on an envelope and drop it in the collection. I wish to offer a word of thanks to those who have already responded and thanks in advance to those that are planning to contribute. I will update as we go along.
