PRAYER FOR AN END TO INFANTICIDE

The U.S Senate recently failed to pass the Born-Alive Abortion Survivors Protection Act--Legislation that prohibits infanticide by ensuring that a child born alive following an attempted abortion would receive the same degree of care to preserve her or his life and health as would be given to another child born alive at the same gestational age. Please join us in prayer to an end to infanticide.

"Jesus, Lord of Life, transform the hearts of our elected leaders to Recognize that infanticide is wrong and must no be tolerated. We especially pray for our Senators Duckworth and Durbin. Open their hearts and minds to recognize and defend the precious gift of every Human Life"
